

TotalScreen™ Criminal Screening

Protect your residents and your property assets with effective Criminal Screening from **TotalScreen™**, the award-winning resident screening solution from RentGrow.

TotalScreen™ gives you access to the most accurate national, state, and county databases available, with coverage in all fifty states. Our extensive data network, coupled with the volume of searches we conduct, allows us to deliver the most thorough, up-to-date information at a competitive price.

With **TotalScreen™**, you'll get the optimal balance of data quality, turn-around time, and value, with multiple options to suit your business needs.

National Criminal Screening

- > Search criminal public records databases across the country
- > Includes free national sex offender registry check
- > Instant online turn-around
- > Includes free OFAC/SDN Terrorist check

Statewide Criminal Screening

- > Search criminal public records in individual state(s) as needed
- > Includes free national sex offender registry check
- > Instant online turn-around
- > Includes free OFAC/SDN Terrorist check

County-level Criminal Screening

- > Individual County searches performed at courthouses by investigative professionals
- > Includes free national sex offender registry check

Premium Criminal Screening

- > Exclusive, customized criminal screening option allows you to pre-set criminal screening criteria; we deliver an Accept/Reject decision based on your criminal background criteria
- > Eliminates need for property staff to interpret and decipher complex criminal records
- > Ensures consistent standards are applied to applicants and improves compliance
- > Includes free national sex offender registry check
- > Includes free OFAC/SDN Terrorist check

Additional **TotalScreen™** services include: Credit Screening, Eviction/Landlord & Tenant Records Screening, Address Screening, Executive Reporting, Business Profile Reports, and much more.
